

A network diagram background consisting of numerous small, light-colored circular nodes connected by thin, light-colored lines. The nodes are scattered across the right side of the image, with some clusters and some isolated nodes. The lines vary in length and orientation, creating a complex web-like structure. The overall aesthetic is clean and modern, with a focus on connectivity and network topology.

NetUK 1, Management Committee update

A network diagram consisting of numerous small, light-colored circular nodes connected by thin, light-colored lines. The nodes are scattered across the right side of the image, with some clusters and some isolated points. The lines vary in length and orientation, creating a complex web-like structure. The background is a solid teal color.
