2025

Overview

NetUK is the UK's latest network infrastructure community, bringing together top industry minds, innovators and scholars alike. Our events provide an open space that dives into sharing knowledge, challenges, and success stories.

NetUK is a non-profit that aims to promote the following for our community:

- **Knowledge Sharing**
- **Community Development**
- **Professional Exposure**
- **Inclusivity and Diversity**

Why does NetUK exist?

NetUK is an open and vibrant community of individuals and organisations that are passionate about network infrastructure and wider internet technologies across the United Kingdom. Its events enable participants to share key technical knowledge, discover community achievements, develop industry connections and promote participation regardless of experience or background.

Our inaugural event #NetUK1 was on the 8th and 9th July 2024 at the IET Savoy Place in London, follow our LinkedIn and join our mailing list for more updates regarding #NetUK2
